Contribution to School 2025/2026

Dear Parents

In line with the other schools in the Trust we now ask for an annual contribution for each child to cover visits to the Academy. This means that parents are not inconvenienced by requests for small amounts of money and will be cheaper than paying per activity.

Due to cuts in funding this year we would have been asking for small contributions from parents towards activities such as: History off the Page, and extra sports sessions like Dance Workshops and Gymnastic sessions, trips to St Neots Museum and special assemblies.

We wish to continue to provide a varied timetable and to enable us to make further bookings, without asking for additional payment, a one-off contribution of £15.00 per child for the year is now due. This payment is £7.50 for those children who are in receipt of free school meals.

We prefer to have visitors to the Academy as they are a lot cheaper (no coach costs) and the children have a longer day for the chosen activity as there is no travel time. We hope you will support the Academy with the contribution. All children enjoy the visits, and we try to do at least one a term.

Payment may be made online via Arbor. Please note that the annual contribution does not cover the cost of trips out, i.e. day trips and residential trips.

Thank you for your support.

Yours sincerely
