Dear Parents and Carers,

After much discussion, careful planning, and considering the valuable feedback received from our recent parent surveys, I am pleased to inform you of an upcoming change to our nursery session times.

From **September 2025**, the **new nursery timings** will be as follows:

- Morning session: **8:40am – 11:40am**
- Afternoon session: **12:20pm – 3:20pm**

If you would like your child to stay for lunch between sessions the cost of a nursery school meal is £2.45 there will also be an additional charge of **£2.50 per day**. This cost will help cover the additional staff required to supervise children during lunchtime.

**Please also note that children attending nursery will not be able to attend the wraparound club**, due to the specific staffing ratios required for this age group. We appreciate your understanding in prioritising the safety and care of our youngest learners.

We believe these new timings will better support the needs of both children and families, and we thank you for your continued support and engagement.

Your child's current nursery hours will automatically carry over into September unless you have already discussed changes with Mrs. Barnes. If you would like to request a change to your child's nursery hours for September, please arrange to meet with Mrs. Barnes as a matter of urgency. Unfortunately, we cannot guarantee that we will be able to accommodate all change requests.
